

Hello, my name is **THOMAS**, I'm a **Sound Designer & Video Editor** based in Ghent (Belgium). I love creating and capturing, always searching for new styles and forms of self-expression to improve my skills. Ambitious projects don't scare me, they **drive me**, to always find the best and most **creative** way to reach the desired **result** is what I do.

WORK EXPERIENCE

CONTINU.ONLINE

Function: Support Manager

Jan 2020 - Feb 2021

Managing services for clients such as Cross International, Retail Office, Velt vzw. and Zebrano Meubelmakerij. These services included the management of their MS Office365; Microsoft Exchange; Sharepoint and Azure Active Directory accounts and giving support for Microsoft 10 Pro; Mac OS; Google Cloud Platform and general server management.

CONTINU.ONLINE

Function: Web Developer/Designer

Jan 2020 - Feb 2021

Full redesign and rebranding of the Continuum Online website: After analysing the old website we decided that we needed a full graphic redesign of the website, so that we can better communicate our company message online. The redesign was based on original graphics and remade in Illustrator combined in a Django CMS web structure. I also designed a similar company website for our client Zebrano Meubelmakerij and did some design work for Commez Chez Nous; Vincetrumentals and Got Moves.

BENEATH THE SURFACE

Function: Creative Director

Sep 2010 - Present

As Co-Founder of BTS records, a record label that focuses on discovering and promoting electronic music artists. I oversee the general art direction of the releases, events, promotional material and social media management. This also includes basic SEO and analytics.

NV INTERFLUX ELECTRONICS

Function: Production worker

Jan 2014 - Feb 2018

General production worker in the factory department of the company. On occasions I did help create and design promotional materials for product expo's such as video presentations, package design and basic web content.
